Sterling performance is preliminary and subject to change. Past performance is no guarantee of future results. Performance returns for periods of less than one year are not annualized. The performance figures contained herein are provided on both a gross of fees and a net of fees basis. Net of fees performance for the Small-Cap Value Focus and Small-Cap Value Diversified strategies would reflect (a) the deduction of a 1.00% annual investment management fee, billed quarterly in advance from the composite inception date through 12/31/2019, representing the highest fee that would be charged to any account during such performance period and (b) deduction of a model annual management fee of 0.9%, billed quarterly in advance for periods after 1/1/2020 thereafter and may not reflect actual management fees charged to any accounts. Actual investment advisory fees incurred by clients may vary. The performance includes the reinvestment of dividends and other corporate earnings and is calculated in U.S. dollars. Sterling Partners Equity Advisors LLC ("SPEA") began managing advisory client assets in May 2017. SPEA is a newly formed entity with limited performance history.
